Dear Patricia,

How are you? I have not seen you for ages! I wish I'd been at that party and had fun with all of you!

What a news about your classmate! I didn't know she has no taste at all!

I like visiting parties too! There are no strict rules about a dress-code in my country. At a birthday party I usually wear casual clothes. If party is celebrating at a restaurant, I will wear a suit. But there are a lot of people who prefer wearing casual clothes even at wedding parties. As for me, it depends on a place of celebration.

But there is an exclusion – special theme parties! People who visit this parties wear different costumes of their favourite characters, e.g. Halloween parties etc. It would be very stupid to go there in a suit or in a tuxedo!

Considering your question. If I were you, I'd chose the most comfortable clothes for me. And I know that you're the most stylish person I've ever met! So you don't need to worry about you look. We have reached the semi- final of the Cup. The new goalkeeper we got after you left is great.

You didn't tell me how was your studying? You've mentioned about problems in maths before. Are you OK with it?

I'm looking forward for your response.

Kind regards,

Basil
